

# The Comcast employee guide to XFINITY Stream

The XFINITY TV app is now the XFINITY Stream app. New name, same great app experience. Customers can turn any device into a TV screen and take their entertainment with them with XFINITY Stream – included with XFINITY TV service.

## The Basics:

- Stream your full channel line up when you are in your home. Plus, when you are on the go, stream live TV from ESPN, TBS, CNN, USA and more top networks.
- Access thousands of On Demand movies and shows from anywhere. Watch new episodes the day after they air or binge watch full seasons
- Set, Stream or Download your DVR recordings to take with you anywhere you go\*

## Available content to download:

- DVR Recordings found under Saved\*
- Purchased shows and movies found under Saved
- On Demand movies and shows by looking under On Demand and using the "Available for Download" filter

## Advanced Features:

- Use Filters in Live TV and On Demand to find "Available Out Of Home", "HD", "Closed Captioning" and more
- Mark a favorite, then find your list of favorites under Saved
- Skip ahead in the channel lineup by tapping the "today" button on the top left corner of the live TV guide
- Set and manage recordings on the go, and find them later in Saved

## How to Stream:

Enjoy the best streaming experience with fast, reliable in-home WiFi and stream on the go with millions of free XFINITY WiFi hotspots nationwide.
